

## COOKIE NOTICE

---

FDHAero.com is a website portal, where persons who have applied for employment with FDH Aero can set up an account, schedule interviews, upload information, and track the progress of their application (the "Website"). This Cookie Notice specifically explains how we use cookies to provide, protect and improve our Website.

What are cookies?

A cookie is a small piece of data, stored in text files, that is stored on your browser or other device when you visit a website or use an online service. Cookies are widely used by organizations in order to make their websites or services work, or to function more efficiently, as well as to provide reporting information. For example, cookies are used to "remember" you and your preferences when you visit the Website either for a single visit (through a "session cookie") or for multiple repeat visits (called a "persistent cookie").

What do we use cookies for?

There are several purposes for which we serve cookies on our Website:

- **Required cookies:** These are cookies, also known as 'essential' or 'strictly necessary' cookies that are required for technical reasons to enable our Website to operate. Without these cookies, our Website would not be able to function or offer the same level of security.
- **Functionality and Performance:** These cookies are used to provide you with functionality on our Website, to remember and manage your settings (such as layout and preferences) and to improve your visit. These cookies are non-essential to the use of the Website; however, without these cookies, certain functionality may become unavailable. Additionally, these cookies help us to route traffic between our servers.
- **Analytics:** These cookies may be used to analyze and personalize your use of, or to generally help us better understand how our Website is being used, for example, which pages you have visited and any errors you have experienced.

How do I disable cookies?

Most internet browsers are automatically set up to accept cookies. If you do not want cookies to be deployed on your device, you can adjust the settings of your Internet browser to reject the setting of all or some cookies and to alert you when a cookie is placed on your device. Please note that if you use your browser settings to block all cookies, you may not be able to access or use all or parts or functionalities of our Website, including certain personalized features.

Where can I obtain further information?

To contact us with your questions or comments regarding this Cookie Notice or the information collection and dissemination practices of this website, you can contact us online or by mail at:
