## AEROSPHERES

An FDH Company, Aerospheres is the industry leader in real-time distribution of chemicals, paints, adhesives, sealants and composites in support of commercial airline MRO operations worldwide. Over 1,000 global airlines and maintenance outlets rely on Aerospheres' logistical infrastructure and its ability to source and supply even the most difficult materials within the same or next day delivery service.

Aerospheres works with all the major OEM brands in the industry with long established relationships and offers the only E-commerce AOG check out facility available in the world around the clock 24/7 / 365 days.

## CORE SERVICES

### REPACKING

Less wastage of goods for our customers results in savings in money and time.

### SOURCING

We provide a minimum 12-month scheduled forecast that is continually revised to meet demand.

### LUBRICANTS

High-quality oils and aircraft greases, tailored for all aircraft moving parts, from nose to tail.

### COMPOSITES

We offer specialized cut rolls that are ready to ship at your need.

### ADHESIVES

We offer dry ice shipping to transport product as it must be stored under specific conditions.

### TAPES

Whether it's general, commercial or aerospace applications, we can provide the perfect solution.

### SEALANTS

A comprehensive inventory that guarantees to find the right solution to suit all your needs.

### PAINTS

We ensure only top-tier interior and exterior commercial aircraft paint products.

### CLEANERS

We ensure fast-acting results, while remaining non-toxic, non-hazardous and non-corrosive.

### CARGOLINERS

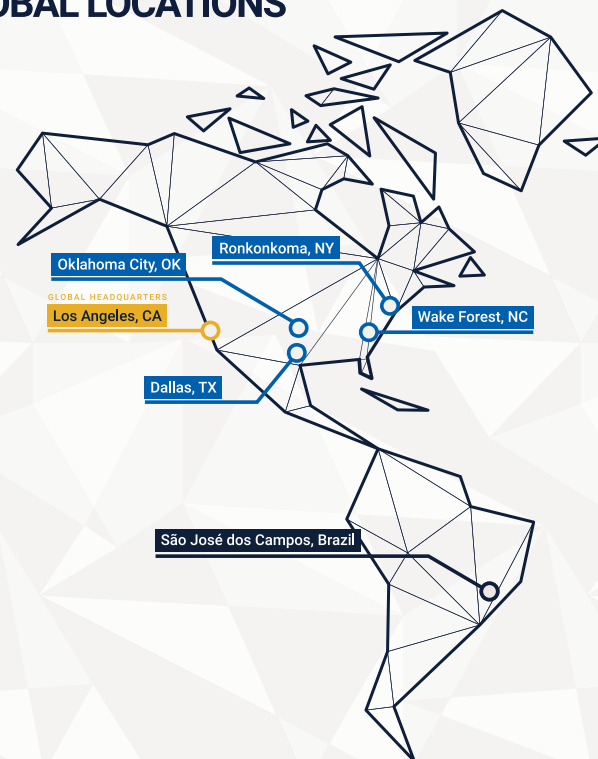

Our aircraft approved cargoliners are engineered with precision using high-quality materials.
