OUR COMMITMENT TO THE CUSTOMER

When everything is on the line, we meet your supply chain needs. When your objective is mission-critical, you need speed, reliability, certainty of delivery, and unmatched service and support from your supply chain partner. This is when you choose FDH Aero.

This is why our long-term partners stay with us. We serve our customers across global markets that include the largest OEM's and major subcontractors. Our customer list includes manufacturers of commercial and business aircraft, military aircraft, military products, and space applications.

QUALITY POLICY
FDH Aero pledges to provide quality products and quality performance to every customer. Our primary goal is to meet or exceed customer expectations and to strive for total customer satisfaction through continual improvement.

AS9100 REV D & AS9120 REV B REGISTERED QUALITY SYSTEM
FDH Aero is proud to be certified to the AS9100 REV D and AS9120 REV B quality system. This is a very comprehensive specification that ensures quality is our number one priority.

ITAR / BIS EXPORT COMPLIANT
FDH Aero is fully compliant with both the Department of State and Bureau of Industry and Security. FDH Aero maintains and implements a stringent export control program. As a registered exporter, FDH Aero is able to apply for the necessary export licenses (if required) to export our products.

GLOBAL REACH, LOCAL SUPPORT
FDH Aero meets more customer needs worldwide than at any time in our history.
Our constantly expanding network of Electronic supply partners, stocking and distribution hubs, and internal offices have established us as a leader in the industry. We're determined to safeguard speed, reliability, and provide availability of stock for all your OEM needs.
