Commercial Aftermarket Overview

DESIGNED TO DELIVER THE INVENTORY YOU NEED

When everything is on the line, we meet your supply chain needs. When your objective is mission-critical, you need speed, reliability, certainty of delivery, and unmatched service and support from your supply chain partner.

This is when you choose FDH Aero. This is why our long-term partners stay with us. We serve customers across global markets—tailoring our solutions to the unique needs of MRO and commercial airline customers—while supporting the world's largest OEMs and major subcontractors. Our customer base includes manufacturers of commercial and business aircraft, military aircraft and products, as well as space applications.

Commercial Aftermarket Brands

AN FDH COMPANY

PDQ Airspares is a global leader in consumable and expendable supply solutions for airlines, MROs, and line maintenance organizations, delivering reliable, service-first support worldwide.

As an FDH Aero company, PDQ combines specialist agility with global scale, offering programs that reduce cost, improve efficiency, and keep aircraft flying.

AN FDH COMPANY

Stealth Aerospace is a leading stocking distributor of electrical, electronic, and electromechanical components to the airline and aerospace industry worldwide.

Stealth consistently delivers top-tier quality products and service to our worldwide customer base. Our dedication to service separates us from our competitors.

VALUE-ADDED SERVICES

VENDOR MANAGED INVENTORY (VMI)

We manage your inventory to reduce costs, improve visibility, and ensure availability.

CONSIGNMENT

Reduce carrying costs by paying for parts only after they're used.

KITTING

Custom-built kits aligned to your part numbers and bills of material for faster assembly.

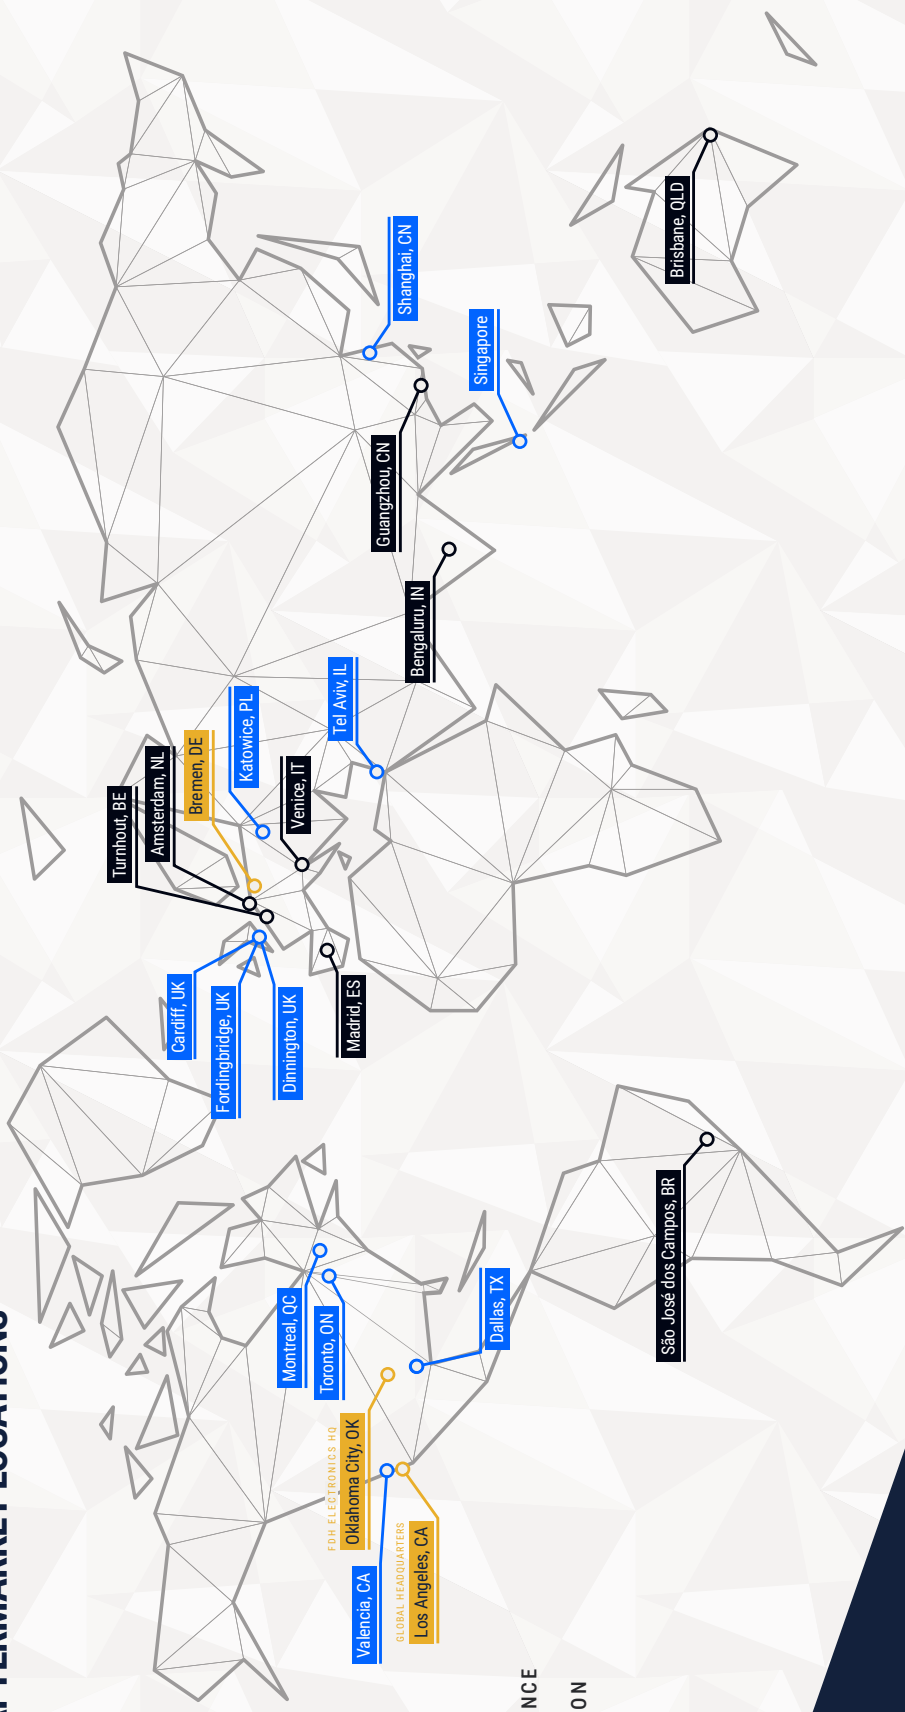

SURPLUS2REVENUE

Turn your surplus stock into cash with our industry-leading programs and initiatives.

JUST-IN-TIME / DIRECT LINE FEED

Seamless, on-demand replenishment to keep production moving without interruption.
