### THE FDH HARDWARE QUALITY PROMISE

We commit to uncompromising safety, reliability, and performance—upholding globally recognized standards through rigorous processes, advanced inspection, and service-first execution across the aerospace and defense supply chain.

### AS9100 REV D & AS9120 REV B REGISTERED QUALITY SYSTEM

FDH Hardware is proud to be certified to the AS9100 REV D and AS9120 REV B quality system.

This is a very comprehensive specification that ensures quality is our number one priority.

### ITAR / BIS EXPORT COMPLIANT

FDH Hardware is fully compliant with both the Department of State and Bureau of Industry and Security. FDH Hardware maintains and implements a stringent export control program. As a registered exporter, FDH Hardware is able to apply for the necessary export licenses (if required) to export our products.

### GLOBAL REACH, LOCAL SUPPORT

FDH Hardware meets more customer needs worldwide than at any time in our history.

Our constantly expanding network of Hardware supply partners, stocking and distribution hubs, and internal offices have established us as a leader in the industry. We're determined to safeguard speed, reliability, and provide availability of stock for all your OEM needs.
