STEALTH VALUE-ADDED SERVICES

AOG

A delay in the transport of replacement parts not only costs you money, it causes complications in all operations. Stealth Aerospace can offer the fastest, most reliable AOG Service by delivering your orders as quickly as possible.

DAILY AOG SERVICE

Daily AOG Service: We offer daily AOG service for urgent orders. With this service, items in stock can be ready within 1 hour for same day shipping or for pickup by your selected courier.

AFTER-HOURS AOG SERVICE

We offer weekend and afterhours AOG service to airlines and end users. With this service, items in stock can be ready within 1 hour for pickup by your selected courier.

AOG INSTRUCTIONS

For AOG support, please contact our Sales team at [email]. Emails are monitored 24/7 by our AOG team.

ON-TIME DELIVERY

With more than 30 years of experience handling urgent shipments for major airlines, MROs, FBOs and maintenance control departments, Stealth Aerospace provides solutions that deliver your critical part orders and shipments with speed and reliability.

CUSTOMER ORIENTED INVENTORY CONTROL

Stealth Aerospace automatically generates part order history for improved quality and consistency while keeping detailed reports to help manage your shipping budget and records more successfully.

TO ACCOMPLISH THIS

We leverage our proprietary real-time tracking system to store, locate and manage our customers' inventory parts. Our team can pick parts in minutes and ship parts within hours.

FDH Electronics Overview

OUR COMMITMENT TO THE CUSTOMER

When everything is on the line, we meet your supply chain needs. When your objective is mission-critical, you need speed, reliability, certainty of delivery, and unmatched service and support from your supply chain partner.

This is when you choose FDH Electronics. This is why our long-term partners stay with us. We serve our customers across global markets including military/defense, commercial aerospace, space, eVTOL, and advanced air mobility.

Stealth Aerospace is a leading stocking distributor of electrical, electronic, and electromechanical components to the airline and aerospace industry worldwide.

Stealth consistently delivers top-tier quality products and service to our worldwide customer base. Our dedication to service separates us from our competitors.

THE STEALTH AEROSPACE QUALITY PROMISE

We commit to uncompromising safety, reliability, and performance—upholding globally recognized standards through rigorous processes, advanced inspection, and service-first execution across the aerospace and defense supply chain.

BACKED BY INDUSTRY-LEADING CERTIFICATIONS

Stealth Aerospace is certified to ISO 9001:2015, ASA-100, reflecting our commitment to the highest standards of quality.

ITAR/ BIS EXPORT COMPLIANT

Stealth is fully compliant with both the department of State and Bureau of Industry and Security. We maintain and implement a stringent export control program, and as a registered exporter, we are able to apply for the necessary export licenses (if required) to export our products.

GLOBAL REACH, LOCAL SUPPORT

Stealth meets more customer needs worldwide than at any time in our history. Our constantly expanding network of electronic supply partners, stocking and distribution hubs, and internal offices have established us as a leader in the industry. We're determined to safeguard speed, reliability, and provide availability of stock for all your electronics aftermarket needs.
